

SWARM Golden Ale

Hand crafted brew that is co-branded by SWARM Collective and Exile Brewing Company. Twenty percent of revenues are donated to the Iowa Swarm Collective.

SWARM Golden Ale is well balanced, easy-drinking, and tailgate ready. This is a beer that Hawkeye fans can bring to pre-game parties, enjoy at the game all while supporting the University of Iowa student-athletes.

MORE INFORMATION

GOLDEN ALE IN STORES

Cans of SWARM Golden Ale will be available for purchase in cans at your local grocery store beginning Middle-to-Late July. Stores may vary throughout the state.

GOLDEN ALE IN BARS

Asking for SWARM is the best way to help get it on tap. The more requests an account gets, the more likely they will bring it in. Bars work with Exile's distributors to get it on tap throughout their territories.

OUT OF STATE

Iowa Alcohol laws prevent Exile from shipping SWARM directly to consumers. Exile is working on finding solutions to get SWARM in areas outside the state of Iowa.
